INFORMATIONAL BULLETIN FY82-6

TO: All Licensed Bulk Users of Special Fuel

On August 14, 1981, Governor James R. Thompson signed Public Act 82-214 (S.B. 1105) which amends the Illinois Motor Fuel Tax Law. The amendment provides that a bulk user of special fuel may file tax returns on an annual rather than monthly basis. The tax return is due on April 15 for the preceding calendar year.

For the 1981 calendar year, returns should be filed on a monthly basis through July. You will be required to file only one return for August through December which will be due on or before April 15, 1982.

For the 1981 calendar year, returns should be filed on a monthly basis through July. You will be required to file only one return for August through December which will be due on or before April 15, 1982. The Department will provide that return to you on or about December 15, 1981. Failure to file the return by April 15 will result in a penalty of \$50.00.

In addition, this amendment classifies gasohol, for purposes of reporting, in the same category as gasoline rather than special fuel. A Bulk Users' license is no longer necessary for purchasing gasohol in bulk quantities. If your license was obtained in order to make bulk purchases of gasohol only, please advise the Department in order that we may discontinue your license.
